# Invite you to participate in 14th International Scientific Conference

## “Methodological Aspects of Scanning Probe Microscopy – 2025”

The conference is dedicated to the memory of  
**Kuznetsova Tatyana**

Minsk, Belarus  
October 21-24, 2025

Since 1996, the conference had the title “Belorussian Seminar on Scanning Probe Microscopy” (BySPM). From 2006, it was renamed to “Methodological Aspects of Scanning Probe Microscopy.” In 2010, it was decided to elevate the meeting status to "conference". The aim of BySPM-2014 is to provide place for discussion of recent achievements in SPM methods, and their use for scientific and applied tasks.
